

ANTI-AGE CELL FORMULA

FIRMING EYE CARE

RETAIL

PROFESSIONAL

FORMULATION

Smooth, creamy texture

SKIN TYPE / CUSTOMER REQUIREMENT

For mature skin with lines and wrinkles.
For all customers who want to minimize lines and wrinkles, improve structure and firmness in the eye area and take preventive measures against skin aging.

APPLICATION

Morning and evening: Apply to the eye area and massage it in gently.

INGREDIENTS

Bioactive Anti-Age Complex with argan stem cells and biopeptides – boosts collagen synthesis, firms and lifts the skin and rebuilds it from the inside

PhytoCellTec™ Malus Domestica – apple stem cell extract protects skin stem cells and boosts their activity, for radiant and plumper skin

AquaCacteen – an innovative, moisturizing ingredient

Instant Tight Complex is an ingredient combination of the extract of the microalga Nannochloropsis oculata and the polysaccharide Pullulan and is considered as skin firmer with instant effect. It improves the formation of collagen and serves as a protective shield against oxidative stress

Evening primrose oil – provides valuable lipids for the skin and soothes it

BENEFIT/ EFFECT

- Smooths the eye area
- Protects skin stem cells and boosts their activity
- Reduces lines and wrinkles
- Helps prevent bags under the eyes

OUR TOP TIP:

The ANTI-AGE CELL FORMULA Eye Care can be used once a week as an eye pack. Apply it very generously around the eyes, leave for 10 minutes, and then massage in any excess.
