

CLARIFYING PURAN TREATMENT

INTRODUCTION

We don't feel our best with **impure skin!** This type of skin is often affected by **papules**, **pustules**, and **comedones**.

The skin type most commonly associated with these problems is oily skin.

However, even dry skin can often be affected by impurities.

The Clarifying Puran Treatment can be optimally adapted to any type of skin. Clarifying and antibacterial ingredients are the **magic ingredient in the battle against impure skin.**

This treatment ensures **a harmonious, clear, and pure complexion.**

EFFECT

- The skin is intensively clarified
- Existing impurities are tackled and new impurities are prevented from developing
- The texture of the skin is refined
- The skin is deeply moisturized
- Irritation and redness are reduced
